

LTCC Final Year Conference

Passing the Baton

Momentum - Mainstream - Maintain

Thursday 26th August 2010

James Watt Centre 2

Heriot Watt University, Edinburgh, EH14 4AS

Keynote speech from the Cabinet Secretary

World café style sessions linking LTCC workstreams and the Quality Strategy

A session benchmarking and sharing current LTC work and care for people with LTCs across the United Kingdom

Sharing the learning via Storyboards, Posters, Exhibition stands.....and much more.....

Outcomes:

- To ensure sustained improvement for people with long term conditions beyond the end of the programme
- To widen and strengthen LTC Community, peer support, and networking
- To commit to our quality ambitions for long term conditions
- To align LTCC work with other key policies and programmes, including efficiency and productivity
- To exchange knowledge with other healthcare systems
- To increase knowledge, skills and practical use of service improvement tools and techniques
